

This is a detailed landscape architectural plan for a school courtyard in Willisau. The plan features a central paved area with various green spaces, paths, and structures. Key elements include:

- Green Spaces and Plantings:** Numerous trees and shrubs are indicated with labels such as "Acer campestre", "Quercus robur", "Tilia cordata", "Salix caprea", "Prunus padus", "Fraxinus ornus", and "Quercus petraea". Planting lists (LA) are referenced throughout the plan.
- Paths and Walkways:** A network of paths is shown, including a "Wegbreite auf 1.20m (Auflage Baubewilligung)" and a "Velounterstand best." (velo shelter).
- Structures and Installations:** The plan includes a "Sandarium (Tiefe ca. 40cm) mit Überdachung", a "Kieshabitats", a "Partnerpendel (Spielgerätebauer)", "Sitzpodeste" (benches), "Jugendbänke" (youth benches), and a "Lernhecken" (learning hedge).
- Water and Drainage:** A "Sickerasphalt best." (permeable asphalt) area is shown, along with a "Drainageleitung best." (drainage pipe).
- Other Features:** The plan also shows a "Pavillon C", a "Fassadenbegrünung" (facade greening), and a "Kantonschule Willisau - Naturnahe Umgebungsgestaltung" (Willisau Canton School - Natural Environment Design).

The plan is oriented with North at the top. A scale bar is provided at the bottom left, indicating a distance of 10 meters. The plan is dated 10.10.2022 and includes a reference to the "Feuerwehrauflage (10.10.2022)" (fire department regulation).
